CONTINUING MEDICAL EDUCATION

GRAND ROUNDS

“Modulating Metabolism in AKI: Evidence from Molecular to Man”

Samir M. Parikh, MD

Associate Professor of Medicine

Harvard Medical School

Co-Director, Center for Vascular Biological Research

Beth Israel Deaconess Medical Center

February 7, 2019

12 – 1 pm

Hiatt Auditorium – S1-608

(Video-conferenced to Memorial Amphitheatre, Memorial Internal Medicine Resident Conf room, Tri-River Health Center and Milford Regional Medical Center)

(OBJECTIVES)

1. Appreciate the importance of cellular energy metabolism in normal kidney physiology
2. Describe general experimental approaches to studying acute kidney injury (AKI)
3. Identify emerging ways to assess and therapeutically target energy metabolism in people with (AKI).

Accreditation Statement: The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The UMMS designates this continuing medical education activity for a maximum of 1 AMA PRA Category 1 credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
