

PYM is excited to be back at Shrine Mont for Senior High Weekend. Look forward to engaging in our theme with our keynote speaker Terry Dolson, a story teller and Associate Director of Community Engaged Learning at University of Richmond. We'll have workshops ranging in topics from body image to improvisational comedy to Eucharist education and beyond. As always there will be fun games, lots of songs, and great chances to connect with other Episcopal high schoolers from all over the Diocese. Don't miss out on our biggest high school event of the year, sign up today!
