

## Applications Now Open for Triangle of Hope Youth Pilgrimage

Do you know a young person who feels called to international mission? Who's passionate about racial reconciliation? Encourage them to apply for the diocesan Triangle of Hope Youth pilgrimage.

The Triangle of Hope is a covenantal community dedicated to transforming the long history, ongoing effects and continuing presence of slavery in our world. Participants (rising eighth through eleventh graders) will prepare together through worship, prayer, study and retreats. Then, over the course of three summers, the pilgrims will travel to Liverpool, England in 2020, host fellow pilgrims in 2021 in Virginia, and make the pilgrimage Ghana in 2022. Participants are expected to be present for all three years.

Applications are due September 13. Contact [triangleofhope@thediocese.net](mailto:triangleofhope@thediocese.net) for more info and to receive an application.
