

LIVINGSTONES CHURCH

Greetings!

We have some exciting news for all you parents/grandparents/care givers of little ones (infant through 3rd grade) ...

LSC Kids! is reopening this Sunday 10/4/20 with a hybrid approach. This means for the month of October kids will start in the worship center and then be dismissed for class time the last 30 minutes of service. Check out our safety procedures listed in the info squares below.

When you arrive Sunday morning, here's the logistics of what to expect ...

- ***Prior to the beginning of worship service***, one parent should acquire the child's check-in tags near the LSC Kids! check-in desk. A volunteer will assist with check-in, assuring a contact free check-in for all families. Take your kids to "big church" with you to enjoy worship and story telling from the stage.
- ***After worship songs and the story telling from the stage*** we will have a short break where ONE parent will escort their children to their classrooms. The hallway will be one way - leading from the worship center to the back door. Please drop you child off and exit through the MARKED back door (*single door at the farthest end of the hallway*) then walk outside, around the building to reenter the Worship Center.
- ***At the end of service***, we ask that only ONE parent pick up in the same way you dropped off - the hallway will be one way, please pick up your children then exit through the back door.

Please message **Jenn**, Director of Children's Ministry, with any questions.
