REVOLUTION PREP PRACTICE EXAMS

Taking full-length practice tests under timed conditions is essential to being ready for the official test. A proctored practice exam will help your child build testing endurance and give you a real-time snapshot of their testing performance.

Upon enrollment, Academic Advisor, Jayme Wakefield, will schedule a score report review at a time convenient for you. During the session, Jayme will break down your child's score to understand areas of strength and weakness and develop a custom preparation plan.
