

# UCSB Pre-College Night

The UC Santa Barbara Office of Summer Sessions cordially invites students, counselors, and families to attend a Pre-College information night to learn about the **Research Mentorship Program (RMP)** and **Science & Engineering Research Academy (SERA)**. During this presentation, you will learn pertinent information about the programs, requirements, application and admission processes. Please join us to find out how these experiences can set you apart when applying to college.

**Date:** Wednesday, February 6, 2019

**Time:** 6:30 – 8:00pm

**Location:** Dos Pueblos High School Library

UC Santa Barbara offers two exciting summer research programs for students in 9–11th grades. Students will be provided with a unique opportunity to gain university-level research experience while earning college credit. These programs are specifically designed to foster academic, professional, personal, and social development. Students will be challenged through exposure to the breadth of interdisciplinary, ground-breaking research currently being conducted at UC Santa Barbara.
