

Operation Reopen begins May 24, 2020

In-Person Family Worship Services

(Family Worship: No Kidz Church)

BEFORE YOU LEAVE YOUR HOUSE:

Please check your temperature, wash your hands, and make sure you are not sick in **ANY** way. We are looking forward to seeing you at church, but please be mindful of everyone else attending as well.

ARRIVING AT CHURCH:

Parking lot Greeters will meet you in the Parking lot to assist, answer any questions you may have and direct you to enter the building through the **Open Doors OF THE MAIN PARKING LOT**.

A Greeter will meet you at the door and can answer any questions you may have. Please watch for the “**+**” markers on the floor as you enter the foyer, in order to help with keeping distance between everyone.

At the Café Connection Counter there will be hand sanitizers, which we are asking everyone to use, and a mask will be available to you. (**Masks are NOT a requirement, but it is preferred for everyone's sake.**)
Just a reminder...Coffee will not be served at this time!

Children's Worship Packets will be available to help keep Children busy during the Worship Service.

Packets will include Activity/Coloring sheets, crayons and a snack.

Please remember to pick these up from the table beside the Café Connection Counter, as you make your way to the Worship Center doors.

As you reach the Worship Center doors, Ushers will assist you, by seating you with three chairs between you and your family and the next person or family, and will do their best to accommodate your seating preference, but please note: We will be blocking off every other row, please do not sit in the blocked off rows.

We also ask you to do your best to remain at your seat through the entire service.

Restrooms will be available and sanitized as needed.

Once service ends, please remain seated, as Ushers will be dismissing row by row from the back of the church to the front. Offering buckets will be located at exits for you to drop your offering in. We ask that you go straight to the parking lot keeping a safe distance from each other. We have a **VERY** loving church, which likes to hug, **please refrain from hugging or having any other physical contact with anyone else.**

Please be patient and bear with us as we work out any issues through this time.

Please note:

If you do not feel comfortable attending church yet, we completely understand and respect your decision to stay home and join us via LiveStream!!
