# WHY WE'RE HERE

## FOR YOUTH DEVELOPMENT

### **Nurturing the potential of every child and teen**

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the YMCA, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

## FOR HEALTHY LIVING

### **Improving our community's health and well-being**

In neighborhoods across our community, the YMCA is a leading voice on health and well-being. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, thousands of youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

## FOR SOCIAL RESPONSIBILITY

### **Giving back and providing support to our neighbors**

The YMCA has been listening and responding to our community's most critical social needs for 88 years. Whether developing skills or emotional well-being through education and training, welcoming and connecting diverse demographic populations through global services, or preventing chronic disease and building healthier communities through collaborations with policymakers, the Y fosters the care and respect all people need and deserve.

## Swim Lessons & Specialty Aquatics

### SWIM LESSONS

#### PARENT/CHILD SWIM STARTER (Ages 6 mos–3 yrs)

This class is for children 6 months to 3 years old. Parent participation in the water is required. Children with special needs are welcome.

#### PRESCHOOL SWIM LESSONS (Ages 3–5)

This program offers children their first experience in the pool without parental assistance. Children learn skills that are the basic building blocks of swimming. Program elements include personal safety, personal growth, stroke development, water sports and games, and rescue.

#### SCHOOL AGE SWIM LESSONS (Ages 5–12)

Our goal is to develop competent and confident swimmers. The program is divided into swimmers' ability and children move through levels at their own pace as their abilities and skills grow.

#### PRIVATE/FAMILY SWIM LESSONS (Ages 5+)

Perfect for those looking for private instruction or Opportunity for families to participate in lessons together. Any questions contact Barbara Glaude at 860.426.9553 or [blgaude@sccymca.org](mailto:blgaude@sccymca.org).

#### AQUA FIT FOR KIDS (Ages 7–13)

This team program is designed to teach children about aquatic fitness through lap swimming. This is not a replacement for swim lessons and participants must be able to swim the length of the pool comfortably. Swimmers will perform the 4 competitive strokes during this program.

#### SPECIAL NEEDS BUDDY SWIM (Ages 3–12)

In this one on one class, parents/guardians will be asked what the needs are of their swimmer to help us create the best experience for the child. Swimming can boost physical activity levels, develop self-confidence, and teach a life saving skill.

### TEEN/ADULT

#### TEEN/ADULT SWIM LESSONS (Ages 13+)

These small group lessons are available for adults who would like to learn to swim or work on their current swim skills. Adults may also sign up for private swim lessons.

#### AQUATIC FITNESS CLASSES (Ages 18+)

Develops flexibility, strength, and range of motion in individuals with limited ability. Participants can work at their own pace.

### PERSONAL FITNESS

#### 1 ON 1 COACHING

At the Y, Personal Training is now called **1-ON-1 COACHING**. With the expert Coaches, clients start with an assessment that covers movement, nutrition, wellness, and personal habits followed by ongoing 1-on-1 fitness and nutrition coaching.

Duration	Sessions/Week	Rate
1 Month	2	\$365
1 Month	3	\$545

#### YOUR ASSESSMENT

Your assessment will run between 60-90 minutes, and will cover nutrition, sleep, injury history, movement capacity and performance to establish your current fitness levels and what you want to achieve. Assessments allow us to identify the best, most efficient path to help you complete your goals.

#### YOUR TRAINING

Next, we write a training program tailored to your personal needs and goals. Training sessions last 45 minutes and includes an individualized warm-up and goal-based training that is modified according to your perceived exertion and heart rate. Everything is documented & tracked so we can constantly make small improvements each training session.

#### TO REGISTER

Contact Tommy Sienkowski at [tsienkowski@sccymca.org](mailto:tsienkowski@sccymca.org) or 860.426.9536 to set up your assessment date & time.
