

ATTENDANCE WORKS RESOURCES

SEPTEMBER IS NATIONAL ATTENDANCE AWARENESS MONTH

2026 ATTENDANCE AWARENESS CAMPAIGN

Your Presence Matters! Join the campaign and receive regular updates!

Sign Up

Celebrating its 14th year, the Attendance Awareness Campaign reminds communities that every day in school supports relationships, learning and access to support. Led by Attendance Works and 10 national partners, it promotes good attendance, action to reduce chronic absence and year-long attendance campaigns.

YEAR-LONG ATTENDANCE PLANNING TOOLS

KEEP ATTENDANCE IN FOCUS ALL YEAR LONG

Attendance Works has created sample planning calendars as a tool for planning activities and events that keep a focus on improving attendance all year long. The attendance plan can be customized for your community. For each activity, you can identify who is responsible for leading it and how the results will be measured.
