

BONNEVILLE®

C O L L E C T I O N S

As the coronavirus (COVID-19) outbreak has spread throughout the world, eventually reaching the United States, our lives have been changed almost overnight. Our thoughts are with you and your families. We understand the significance of how small our world is and how important it is to take necessary precautions to reduce the spread of coronavirus.

In this unsettling time, we are doing our best to help by making every attempt to be sensitive, and as flexible as possible with customers who may be experiencing difficulty keeping/making payment(s). Also, we are currently operating with reduced staff who are providing support and service for our valued customers and clients.

We remain committed to serving you. If you have any questions or concerns, feel free to reach out to us. Thank you for being a loyal Bonneville Collections client!
