Thats My Brick!®

Adept Engraving LLC has been working with thousands of organizations throughout the country, helping them to raise funds for various causes through That's My Pan!® Fundraisers. We are now offering personalized bricks to further the success of our fundraising organizations. Our bricks are great for plazas, memorials, walkways, and anywhere else you use bricks! Show your support by personalizing a brick today!

The Marking Process

That's My Brick!® uses a patented, laser-based marking process that produces a layer of black, fused glass on any color surface of the brick or tile. The marks are flush with the surface of the brick or tile, which means less maintenance and no chance of wear-based damage.

All samples passed each of the ASTM-specified test conditions (Freeze/Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that bricks marked with our process and installed properly in your project will last longer than our lifetimes.

Trinity's memorial brick program provides an opportunity to honor loved ones and help Trinity build funds to create an inviting landscape of gardens and labyrinths on church grounds.

The plan will incorporate three different medieval labyrinth patterns that will form a contemplative place for all to enjoy. The first, of the three labyrinths, is presently located among the redwoods, the second hardscape labyrinth will welcome all at the church entrance, and the third will serenely meander along the far side of the property. As work on the garden progresses, bricks will be displayed around the edge of the hardscape labyrinth and throughout the garden. Your donation will help to build a community spiritual resource for meditation and prayer.

Engrave a loved one's name, or a short quote to commemorate a special person or occasion (birthday, anniversary, graduation, birth, memorial) for a truly a special remembrance.
