

JOSEPH H. FREY JR., M.D.

Dr. Frey was born and raised in Massachusetts. He received his undergraduate degree from the University of Pennsylvania and obtained his medical degree from the University of Massachusetts Medical School. He then completed radiology residency training at Loma Linda University Medical Center in California, where he served as chief resident, and received the award for the Outstanding Resident of the Year in 2020. Dr. Frey is a fellowship-trained musculoskeletal radiologist who completed his fellowship training at the University of California San Diego, where he served as chief fellow. He is a member of Radiological Society of North America, and American Roentgen Ray Society. When he is not working, Dr. Frey enjoys nature, hiking, photography, and philosophy.
