

CHRISTMAS FOOD BOXES: 2020 Adjusted Version
for the John Marshall Community Center

Once again the adult Sunday School Classes of St. John's as well as other interested church members are invited to participate in our program of providing Christmas food boxes to needy families served by the John Marshall Community Center in the south Broadway area of Albuquerque. The Center will be reaching out to families in the area who use their services. The need is tremendous and our participation is much appreciated. This year's timeline looks like this:

*by **Sunday, December 13, 2020**, or sooner, commit to Jack Nuzum (tel. 265-5241, jcnuzum@juno.com) as to the number of boxes which will be provided and by whom.

*on **Saturday, December 19, 2020**, bring the completed boxes to the **west parking lot of St. John's between 8 and 9:00 AM.**

Suggested CONTENTS for the boxes:

(Note: This list is a minimum suggestion. Feel free to add other items of your choice. Please place items in STURDY cardboard boxes. Several small boxes (at least three) make for easier carrying, but mark boxes carefully so they will stay together.)
