DONATIONS

Donations are needed at all levels of nonprofit support in our community. Some key agencies and organizations are listed below.

Contact any local fire department, police department, or sheriff's office, to give them a donation.

Pacific Community Foundation has several funds to support food and housing relief. Grants go out monthly from each fund to local organizations. Donations can be made online or by check. When writing a check, make it to "PCF," and specify the fund or funds, or area of need your donation should go to (ex: food, housing, utilities). See the list of funds online for more information about each one.
