

# EVANGELISM e-Cards

The encouragement cards that we have been using are a wonderful ministry and a way to stay in touch and uplift our friends. Due to COVID, however, it has been a bit more challenging to use these cards.

As an alternative, The Evangelism Committee, with the technical help of Harry Simmerman, can now offer you an easy way to send electronic encouragement cards and provide a stock of all occasion e-cards (currently 16 cards in stock). Everyone loves receiving cards and these e-cards will make it easy for you to send right from the comfort of your home. (no postage necessary).

The BUMC website will give you easy access to the e-card site. There you will see instructions on how to make your selection and complete the form. Just add the sender's name and email address and the recipient's name and email address. (E-mail addresses are available thru the church office!) There is a space where you can even add a personalized message. And then just select "send message" and you are done!

## Let your friends know you are thinking of them.

Choose a card you want to send....then click on it and a small green triangle with a check mark will appear in upper left corner.

If you want to view the card in full image, hover the cursor over the icon at the bottom of the card and click. After viewing the card you must click on the 'X' in the upper right corner to return to the home page in order to complete the sending of your card.

Fill in the email addresses' and add your message. Check the box "send copy to Me also" if you want to receive a copy.

**Click the "Send Greeting" box.**

You should see "e card being processed" and then "Angel card successfully sent" messages.

Send an Angel Greeting eCard

Your Name \*

Your Email \*

Your Friends' Name \*

Your Friends' Email \*

Message \*

Send copy to Me also

Your personal data like name and email will be used to process your Angel eCard, support your experience throughout this website, and is described in our privacy policy found below. Some greetings may be sent to spam folders. You may have to alert the recipient, if possible, your greeting was sent.

**SEND GREETING!**

We hope you will check out this site and use it to stay in touch with our Bethlehem family and friends! Please use it as often as you would like! We are hoping this will be something you will enjoy! Any suggestions on cards, please just drop us an email message. (By the way, the Encouragement Cards are still available to use if you prefer!)
