Nurturing Every Woman's Spirit

November 2020

We Have Been Missing You!!

No doubt you will agree, these seven months apart have been long, and difficult. There is still a need for caution in avoiding the COVID 19 virus, but we are learning that wearing masks, hand washing and avoiding large crowds are good safety measures.

Anticipation is mixed regarding the arrival of fall's cooler weather—will it help suppress the virus or will it worsen. One thing is for certain, there are holidays coming around the corner and some celebrations will likely look different than in past years. But taking a cue from the colorful leaves, let's make up our minds to enjoy the change!!

October is...

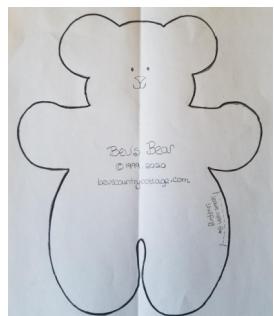

There's still time for you to send a note to Pastor David Lord and Rev. Susan Hughes for Pastor Appreciation Month. Since our shut down in March, these two spiritual leaders have been working overtime to

keep us connected to Bethlehem's mission and vision. It would only take a minute for you to drop a note of "thanks" to them for all they do.

Stuffing Teddy Bears

Yes! we are hoping you will help us sew and stuff teddy bears for the patients in the ED at Franklin Carilion Hospital in Rocky Mount. They are asking for them!! Patterns are on the UMW bulletin at church for you to take home, cut out, stuff and sew. Any questions call Sandra Burriss. Drop off finished bears in church workroom.

OUR United Methodist Women's PROMISE

We promise to pray for each other, that we may grow in our trust of God, and be faithful in our service to others. Together we renew our baptism covenant, to faithfully participate in the ministries of the church, by our prayers, our presence, our gifts and our service, that in everything God may be glorified, through Jesus Christ.

We will call for a vote in November.

Glorious Gifts, Too

It was well over 10 years ago that our dear departed friend Larry Broomall first brought the idea of ***Glorious Gifts Too***, to Bethlehem.

For \$10 to \$100 you can give a gift (card) to a family member or friend recognizing your donation in their honor to one or more of 12 local and

international charities. Brochures detailing the donations will be available starting November 1st at Bethlehem and on the church website.

This is a wonderful way to give a glorious gift to the Christ child by helping those in need while honoring loved ones at Christmas.

**No act of kindness
no matter how small
is ever wasted.**

Social Action Updates

So You Want to Talk About Race by Ijeoma Oluo

We are encouraged to learn more of the United Methodist Women's social action campaigns. Among them, racism is at the core of one of the issues we are working to achieve change.

In order to better understand racism, the book "So You Want to Talk About Race" by Ijeoma Oluo has been selected as one of the 2020 books on the UMW's reading plan for social action. They also, recently sponsored a 4 part webinar which discussed the book by zoom meetings of which I participated .

This book has skyrocketed to the New York Times bestseller list as there has been such a media spotlight on systemic racism in our society . While this is a difficult subject to talk about it is a necessary one if we are to ever end racial oppression and the many forms it takes.

The author presents honest conversations about race and racism and how they infect almost every aspect of American life. Some of the chapter headings are "What is Racism? Why am I always being asked to check my privilege? What is intersectionality? Is police brutality really about race?, What is the school to prison pipeline?, Why can't I use the "N" word? What are microaggressions? What is the model minority myth? and Talking is great but what else can I do?"

A Child's Christmas

At Lake Christian Ministries, the needs of those struggling to make ends meet are greater than ever.

So although we are having to rethink "how to," we are definitely going to do **A Child's Christmas**.

As of this writing, we are planning to have the first angel trees up the week of November 9, including one at Bethlehem. We will need shoppers to help us the week of December 7th, but sorting and distributing will only allow limited participants, following social distancing and mask protocols. If you are interested in shopping, email Lynda Imirie at fredlynda@aol.com.

Social Action Updates (continued from previous page)

She offers tools in each chapter which give white and people of color the means to engage in and deal constructively with dismantling racial prejudices and biases. You may feel discomfort with or disagree with some of the ideas which the author presents in the book but I felt challenged to assess my own beliefs and perceptions of this complex and very polarizing subject. If we are to ever dismantle racist systems in our communities, agencies, workplaces, governments and churches, we must first understand it and this book helped me achieve that. This book will be available in our church library.
