## **Companions in Christ, The Way of Grace**

Facilitated by Susan Hughes

*Even before we recognize its need in our lives, God extends us favor. This ten-week study explores the Gospel of John and, specifically, how divine grace is at work in our lives today, just as it was in the lives of biblical characters 2000 years ago. The Way of Grace is a transforming interaction with the events and the characters, a chance to identify with what God provided for these people—a provision they could never achieve for themselves. Groups new to Companions in Christ or to spiritual formation will find The Way of Grace to be a good introductory course. If you long to open your heart to a deeper knowing of God's grace—to recognize the "soul's deep compass steering us Godward," this is the study for you.*
