WISDOM LMS

ONBOARDING PROCESS FOR DISTRICTS DURING COVID-19

As of 3/18/2020, the following is still flexible as we work to simplify the process for onboarding many Districts during a short time period. Our goal is to provide Districts with the solution to provide online instructional material to their students while they are learning at home during the COVID-19 pandemic.

1. School District learns about WISDOM LMS from their ESC or directly from Gabbart Communications.
2. School District requests demonstration and / or more information from Gabbart Communications.
3. Gabbart provides demo / information to District. (Webinar available at www.gabbart.com/covidlms)
4. Gabbart provides Flat Rate \$2,000 pricing to District, which includes the following:
 - 4.1. Unlimited licensing for WISDOM LMS for remainder of 2019/2020 school year.
 - 4.2. Importing Course, Teacher, & Student data into WISDOM LMS.
 - 4.3. 16 hours of webinar training.
 - 4.4. Ongoing Professional Development
5. Once contract is returned to Gabbart by the District the LMS will be built: (District-ST.wisdomlms.com)
6. Document will be sent to District requesting following information:
 - 6.1. District Name, Address, Main LMS Contact Information
 - 6.2. Every Campus Name, Site ID, Address, Campus LMS Contact Information, 6 or 9 Week Grading Period, Start & End Dates for Each Grading Period.
 - 6.3. Four CSV file format's containing Course Information, Teacher Info, Student Info, Student Schedules
7. Districts may need assistance from Gabbart or their ESC to create CSV Files containing Course Information, Student & Teacher Information and Schedules out of their Student Information System.
8. Once data is received, Gabbart will setup Wisdom LMS for the District.
9. Gabbart will provide 16 hours of webinar training classes to School Administrators, Curriculum Specialist, Instructional Technologist, and Teachers. All training webinars will be recorded and made available to everyone for later review.
10. Gabbart will provide ongoing Professional Development to support teachers as they adapt to online instruction.
11. Once the 2019/20 school year has completed, District may choose to renew for the 2020/21 school year. All content created will be available within WISDOM LMS for the next school year.

If you have any questions, please contact Teddy Gabbart or Jackie Holt at 877-810-6894 or email teddy@gabbart.com or jackie@gabbart.com.
