## Senior Farmer's Market Nutrition Program Update

Although Covid-19 delayed the 2020 start until July 1, the Senior Farmers' Market Nutrition Program has been extended to run through November 30, so there is still time to use the \$100 in coupons at participating farmer's markets and roadside stands. [Click here](#) to access the brochure describing the program and approved produce.

In partnership with the Ohio Department of Aging and the Area Agency on Aging, PSA 2, Homefull administers the program at 18 farmers' markets and farm stands for the agency's nine-county service area: Champaign, Clark, Darke, Greene, Logan, Miami, Montgomery, Preble, and Shelby.

Eligible seniors are age 60 and older, and at or below 185% of the Federal Poverty Level (annual income at \$23,107 for a household of one, or \$31,284 for household of two). Program coupons are provided on a first-come, first-served basis. See instructions below to sign up today!

### Montgomery County Mobile Grocery Opportunity

Homefull's Mobile Grocery Store, a customized 42-foot Freightliner with expanding sides and over 500 square feet of shopping space, began traveling across Dayton and Montgomery County on October 26. Eligible individuals will be able to apply and receive coupons to shop for produce on the Mobile Grocery the same day! The store will offer fresh produce, as well as staple household grocery items. For more information on where the truck will be, visit <https://www.homefull.org/food-2/mobile-grocery/mobile-grocery-schedule/>.
