## Advisory Council County Representatives Sought

Help local seniors by representing your county on the Area Agency on Aging Advisory Council. Openings are available for **Darke**, **Logan**, and **Preble** counties. The Advisory Council advises the Board of Trustees regarding administration of federal and state funds for services to people age 60 and older, and other issues impacting older adults and their caregivers.

The Advisory Council is composed of three representatives from each of the nine counties in our service area. New members will begin April 1, 2019, and upon completing their first full term, may renew twice. Darke and Logan county openings are new terms that end March 31, 2022. The Preble County opening is a replacement term that ends March 31, 2021; and a second Darke County opening is a replacement term ending March 31, 2020. Upon completing a replacement term, members may then renew for their first full 3-year term. The Advisory Council meets monthly in Tipp City and mileage is reimbursed.

See the links in the newsletter for a position description and application.

**Applications are due March 5.** For additional information, please contact Karin Nevius, Communications & Training Coordinator, at (937) 341-3001 or [knevius@info4seniors.org](mailto:knevius@info4seniors.org).

The following members are leaving the council. We appreciate their time and work toward addressing needs for seniors in their counties.

**Mindy Jo Stebbins**, Darke County

**Dennis Wein**, Darke County

**Kim Wildermuth**, Logan County

The Council honors the service of **Paul D. Lindquist** who represented Preble County since 2010, and passed away in December.
