JUNE 2018

## Let Us Help You

### Together 2018 Will Be Great!

It's been a very active Spring at the Chamber. We are delighted to have several new members and we have done three ribbon cuttings.

It is always rewarding when members can celebrate grand openings, new management or just a celebration for being open for three years. Whatever the reason, we are proud to support our members.

### Another Successful Par-Tee

Our 66th Annual Golf Tournament was held at Biddeford Saco Country Club and was a very fun event. Mother Nature could have given us a bit more warmth but at least it didn't rain like last year.

We especially want to say Thank You to all the teams, to the businesses that donated products, to our sponsors and especially to the many volunteers that made it all possible. With a near sell out of 35 teams, we are extremely grateful to the support we receive from our business members.

This year's winning team goes to Clark Insurance and its team: Captain Josh Ellis, Dennis Waters, Scott Walker and Thomas Baker.

While the annual golf event is a fundraiser for the chamber, more importantly it provides a \$500 scholarship to four area high school graduates. The schools include Biddeford High School, Biddeford Regional Center of Technology, Thornton Academy and Massabessic High School.

### Tourists Are Arriving

As summer approaches, we will shift gears and find ways to promote our members to the growing visitor population. Tourism is very important and we want to ensure that your business reaps the benefits of having more consumers in the region. We want to work together with you to enhance the visitor experience.

Please find time to check in with us and be sure you have access to our website so that we can grow our "HOT DEALS" button where people can be made aware of your special event, a sale or a special discount for visiting the Chamber website. Every little bit of promotion helps and we want you to succeed.

Lets work together to make 2018 a great year for everyone!
