

18th Annual Botello Lumber Co. Charity Golf Tournament

The 18th Annual Botello Lumber Company Charity Golf Tournament took place on Monday, September 24th at The Ridge Club in Sandwich, MA with over 130 participants and over 40 volunteers. Steve Botello and Botello Lumber have been instrumental in championing Chromosome 18. A huge thank you to Steve, Gene, Roy (the main event organizer), Botello employees, and volunteers who made this event such a huge success. Last year, the Botello Lumber Golf Tournament donated \$30,000 to Chromosome 18 and has been a long time supporter of the Chromosome 18 Registry & Research Society.

Everybody was treated to lunch before the 12:00 pm start, and the group dispersed around the 18 holes to play a best ball format. Several holes had additional chances to win prizes including longest drive, closest to the pin, along with \$1,000,000 for a hole in one, and opportunities to win a boat. In addition to these wonderful opportunities, golfers could face off against professional gofer Dan "Smackintosh" McIntosh in a 350 yard plus competition for an additional donation. This wonderful day was followed by dinner, the drawing of many raffle prizes, and over 25 live auction items. Thank you to the Botello Lumber Company Charity Golf Tournament for a wonderful time and for your continued support!

Thank You to these Sponsors:

Premiere: Azek and Andersen Windows and Doors

Gold: Boise Cascade Prime Source and Rafferty Wholesalers

Silver: Doweling and O'Neil Insurance Dura Supreme and KAM Appliance
