

Watermelon Fundraiser

Alexander (11 years old), Simona Dhanraj's son, and his best friend, John Platt (11 years old), ran a watermelon stand and raised money for Chromosome 18, in honor of Gabriella (8 years old - 18p-), Alexander's sister. The stand was pretty successful for a front lawn after-school fundraiser and they raised \$75.00! This year, they decided to hold the fundraiser over the weekend and managed to raise \$200.00 in cash as well as a \$10.00 check bringing the total to \$210.00! Thank you so much to Alex and John for starting this amazing fundraiser. It's support like this that helps us continue doing everything that we do at Chromosome 18!
