

# UTSA Volunteer Fair

Chromosome 18's Accounting Supervisor, Victoria Ochoa, and Administrative Supervisor, Agnes Espericueta, participated in UTSA's Volunteer Fair yesterday. This was a great opportunity as we received many volunteers for upcoming events such as our Starfish Dash. For any questions regarding volunteering, please reach out to the office at [office@chromosome18.org](mailto:office@chromosome18.org). Are you interested in volunteering? Fill out this form and let us know!
