Email: office@chromosome18.org

TWO WAYS TO PARTICIPATE

1

Register online and create your fundraising page by clicking the button that says "I want to fundraise for this" rebrand.ly/Phantom2023

2

End of Year Giving
Share your fundraising page with your family and friends.

3

Ask them to remember Chromosome 18 in their end-of-year giving.

2

Phantom Tea & Wine
Download the Tea or Wine Party invitations provided when you registered

3

Invite your network to join you for a virtual or in-person tea/wine party to sip and donate in honor of your chromosome 18 loved one.

OR

If you don't help, who will?

Phantom Tea & Wine

WHY PARTICIPATE?

A majority of our funding comes directly from Chromosome 18 families and their friends and families who want to make a difference in the lives of every affected person and their loved ones. Without your support, our research, resources, events and support would not be possible.

MISSION STATEMENT

To help people with Chromosome 18 abnormalities overcome the obstacles they face so they may lead happy, healthy, and productive lives.

Phantom Tea and Wine and End of Year Giving comprise the largest fundraising effort of the year for Chromosome 18. During this time, we ask our members to invite their family and friends to enjoy tea or wine together in honor of your chromosome 18 loved one (virtual or in person), and remember Chromosome 18 in their end of year charitable gifts.

On the first Sunday in December, people around the world will sip tea or wine in honor of those we care about with a chromosome 18 condition. Every person who participates brings us closer to making chromosome 18 conditions the first treatable chromosome 18 abnormalities.

What does your involvement mean to Chromosome 18?

- \$50 buys enrollment in the research study for one U.S. family
- \$100 allows one international family enrollment in the research study
- \$500 funds establishing cell lines to study one child's chromosome 18 condition
- \$1000 buys one person's microarray
- \$10,000 buys one comprehensive clinical evaluation

THE SUCCESS OF PHANTOM TEA & WINE IS DEPENDENT ON US AS REGISTRY MEMBERS

Last year, we saw almost 200 new families join the over 6,000 chromosome 18 families around the world, one of the highest number of new members to date!

The goal for 2023 is to raise \$100,000 during Phantom Tea & Wine for chromosome 18 research. With your support, we can make this happen.

Celebrating over 32 years as the world's only dedicated Chromosome 18 Research Center and working every day to improve the lives of our families, the Clinical Research Center needs at least \$300,000 a year just to keep the doors open.
