

THE CHROMOSOME 18
REGISTRY & RESEARCH SOCIETY

2016 Election

The following positions are open for nominations or self-nominations to serve two-year terms beginning January 1, 2017:

Regional Coordinators

Mid-Atlantic

Northwest

South Central

Southwest

Syndrome Coordinators

Ring 18

18p-

These positions will be open for election and anyone including current board members can apply. Nominations will be accepted until October 31, 2016. The Executive Committee of the Board of Directors will select a slate to be voted on by the full Board of Directors. The election will be completed by November 30th.

A nominee may run for two positions but can only hold one position, so that person would have to choose which position they would wish to hold. Although coordinator positions require dedication, they don't have to take up a lot of your time.
