

Julia's 6th Annual Skating Party

On Saturday, December 30th, Julia held her 6th Annual Skating Party at St. Michael's College School Arena. Julia's family and friends all came out for a fun evening of skating and hot chocolate, refreshments, and snacks! Together, they raised over \$4,200 Canadian (approx. \$3,300 US). 100% of the proceeds went to Chromosome 18. Thank you so much to Julia and her family for hosting such a wonderful fundraiser!
