Shane's Scramble Golf Tournament

Saratoga Springs, UT
September 22nd, 2026

Join us for a special Chromosome 18 Shane's Scramble Golf Tournament at TalonsCove Golf Club in Saratoga Springs, Utah, on September 22, 2026. Enjoy a day of golf and community while supporting children and families affected by chromosome 18 conditions.

On September 22nd, the tournament day will begin with a 8:00 AM start, with players enjoying beautiful views at TalonsCove Golf Club. Golfers can warm up on the driving range and putting green before being assigned to their cart. The game is best ball, and players will enjoy 18 holes on the scenic course. As players finish, they will join the group for a short awards ceremony where winners will be announced and prizes presented for both men's and ladies' teams, longest drive, and closest to the pin. Lunch will be included, along with a raffle and silent auction during awards ceremony. Everyone is sure to enjoy this fun-filled event supporting the critical mission of supporting chromosome 18 children and families.

We are proud to support the only research center in the world dedicated to the study of chromosome 18 conditions at UT Health San Antonio, which is celebrating over 35 years of cutting-edge research. Funds for this research are raised through events like this. The more funds we raise, the faster the research center can develop treatments to improve the lives of those affected by chromosome 18 conditions, which include many cognitive and physical impairments. We also offer support for families and physicians of children with chromosome 18 abnormalities.
