Chromosome 18 Annual Golf Tournament

San Antonio, TX
October 6th, 2023

Join us for a special 19th Anniversary celebration of the Annual Chromosome 18 Golf Tournament with the Starfish Soirée at Oak Hills Country Club on the evening of October 5th. Enjoy cocktails, hors d'oeuvres and auction benefitting special-needs chromosome 18 children and individuals.

On October 6th, the tournament day starts with registration at 11:30 AM and light lunch at 12:30 PM with beautiful views of the renowned Quarry Golf Course in San Antonio, TX. A brief presentation will proceed the shotgun start at 1:30 PM. Players can warm-up with unlimited golf balls on the driving range and putting green before being assigned to their cart. Each cart has GPS, cooler, & USB port, and beverages will be available on the course with each player receiving one complimentary drink tickets. The game is best ball as players will enjoy 18 holes on the historic course. As players finish, they will join the group for an awards ceremony where winners will be announced and prizes presented. Everyone is sure to enjoy this fun-filled event supporting the critical mission of helping Chromosome 18 families.

We are proud to support the leading global research center for chromosome 18 at UT Health San Antonio which is celebrating 33 years of cutting-edge research. We raise funds for this research through our organization. The more funds we raise, the faster the research center can develop treatments to improve the lives of those affected by chromosome 18 conditions which include many cognitive and physical impairments. We also offer support for families & physicians of children with chromosome 18 abnormalities.

For more information about Chromosome 18 and the Golf Tournament, visit our website at www.chromosome18.org

Chromosome 18 Annual Golf Tournament
