

**A TJCOG  
Sandbox Effort**

# **Designing Our Regional Innovation Academy. Give Your Input**

Planning is underway to launch an education and training program for you and peers across the region to learn collectively and share expertise. With limited travel and professional development opportunities due to COVID-19, let's fill the gaps together.

*Survey data will guide the program's final curriculum.*

**Give your input by June 24th by going to
