

EUROPEAN FUND ACADEMIC PROGRAM

Purpose: The European Fund (EF) Academic Program is established to recognize the academic accomplishments of students graduating from high school who are dependants of European Fund Members and to encourage students to continue towards post-secondary studies. All students accepted and attending a recognized post-secondary establishment will receive up to € 500.

Entitlement:

- Be a dependant of a member of the European Fund according to the definition in the EF Constitution. (The students do not need to be EF members)
- Parent must be a EF member at the time of the payment
- Be accepted to full-time studies at any post-secondary level establishment

How to apply: Application form can be found on the website at

<https://www.cafconnection.ca/Europe/Programs-Services/Education-Training/Academic-Program.aspx>

Reimbursement Procedures:

- **By Sept. 15th:** A letter or e-mail from the EF member to be forwarded to the Senior Manager PSP, declaring that their child has graduated from high school (school's name and date of graduation are required), and has received an acceptance letter from a recognized post-secondary establishment (name of the establishment is required) and will attend this establishment (date and name, city and country of the establishment are required).
- **By 1st week of November:** EF awarded funds will be transferred to the beneficiary.
