

# COVID-19 VACCINE APPOINTMENTS AND BEHAVIORAL SUPPORT

1. If you have a child or children (ages 12+) who need emotional or behavioral support to get their COVID-19 vaccine, you are welcome to schedule on the Children's Hospital website. You must schedule at the Burnet campus (base) location if your child needs behavioral support.

2. Once you have a confirmed appointment, please call the Behavior Safety Team (BST) at 513-636-6989 to let them know your child has an appointment and may need behavioral support. A team member will call you back and help create a plan for your child's visit.
