Briefly describe the purpose of the Improvement:

Estimated starting date of construction: _____ **Estimated completion date:** _____

Neighbors' Acknowledgments:

You must obtain the signatures of at least two adjoining property owners who will be most affected by the change. Neighboring owners should be shown the complete application to be submitted, including all plans and drawings, at the time signature is requested. However, if you are building a fence, you must obtain the signatures of all adjoining property owners who will share a property line with your fence. It is your responsibility to obtain the correct / appropriate neighbor acknowledgments and / or provide proof of attempt. **The Lot# is required.**

Note: Signature by your neighbors indicates an awareness of your proposed change and *does not* constitute approval or disapproval on their part. Signatures must be from Homeowners and not Tenants. If the Homeowner who is leasing their property cannot be contacted by the applicant, then Management will contact them at their email address on record. This may delay the approval process. **Your neighbors are encouraged to contact the Community's Management Company to address any questions and / or concerns.**

Owners' Acknowledgments:

I/we understand and agree: (please initial):

1. ____ that I am responsible for advising all applicable contractors and / or agents prior to the start of any project of all the following acknowledgements and requirements and I retain the responsibility for the Contractor's and / or Agent's adherence to these requirements.
2. ____ that no work on the proposed change shall begin until written approval of the Covenants Committee has been received by me; that, if work is begun prior to approval, I may be required to return the property to its former condition at my own expense if this Application is disapproved wholly or in part; and I may be required to pay all legal expenses incurred.
3. ____ I acknowledge that this modification may require a building permit and I agree to obtain all required governmental approvals. Approval of this application by the Covenants Committee satisfies only the requirements of the HOA and not any obligations to any governing agencies as may be required. Accordingly, I am responsible for obtaining and / or conforming to all applicable requirements, approvals, permits and / or permissions from all regulating authorities.
4. ____ I am aware that the presence of easements may limit the ability to implement improvements and / or may require special permissions as part of the permitting process. I am responsible to obtain permission from all easement holders as may be required.
5. ____ Prior to the start of construction and before any digging, I am responsible for contacting Virginia 811 (Dial 811 in Virginia or 1-800-552-7001, va811.com) to receive the necessary underground utility locations and clearances. Notifying Virginia 811 before you dig is the LAW. Note: You may also know them as Virginia Utility Protection Service (VUPS) or Miss Utility of Virginia.
6. ____ that approval by the Covenants Committee shall in no way be construed as to pass judgment on the correctness of the location, structural design, suitability of water flow or drainage, location of utilities, or other qualities of the proposed change being reviewed.
7. ____ that approval by the Covenants Committee shall in no way be construed as to pass judgment on whether the proposed change being reviewed complies with the applicable building and zoning codes of the county in which the property is located.
8. ____ that approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the Covenants Committee to disapprove such plans and specifications, or any elements or features thereof, in the event such plans are subsequently submitted for use in any other instance.
9. ____ that there shall be no deviations from the plans, specifications, and location approved by the Covenants Committee without prior written consent of the Covenants Committee; any variation from the original Application must be resubmitted for approval. Additionally, after the approved work has been completed, I understand that I am solely responsible for correcting any conditions and/or immediately restoring the property to its original condition in the event the as-built construction deviates in any way from the original, approved plans. Further, I understand that if I fail to correct the condition after being notified by the HOA, the HOA may take all necessary enforcement action to correct the condition. Such enforcement shall include, but not be limited to, accessing my property in accordance with the provisions of the HOA's governing documents for the purpose of correcting the unapproved condition. In that event, I understand and acknowledge that I will be responsible for all costs associated with any such action.
10. ____ that I authorize members of the Covenants Committee or managing agent to enter upon my Property to make one or more routine inspection(s).

11. ____ that construction or alterations in accordance with the approved plans and specifications must be completed within 6 months of the approved date, otherwise the approval by the Covenants Committee shall be deemed conclusively to have lapsed and to have been withdrawn.
12. ____ that all work associated with the project will be completed within the property lines. Access to the construction or installation site must be limited via only the Owner's property. The use of an adjoining homeowner's property is highly discouraged and is allowed only at the discretion of, and permission of, that homeowner.
13. ____ that I am responsible for any damage and all cost to repair green space, roadways or community property that results from the proposed modification.
14. ____ that I assume full responsibility for all landscaping, grading and/or drainage issues related to the proposed improvements.
15. ____ that I am the owner of the subject lot and I am responsible for maintaining the proposed improvement in a state of good repair.
16. ____ that no contractor signage is allowed on the lot or within the community.
17. ____ that I and / or my Contractors and / or Agents are responsible for all traffic control and job site safety.
18. ____ **that I have obtained all appropriate adjacent neighbor acknowledgments or have provided proof of attempt.**
19. ____ **that I have read and understand the applicable Design Guidelines for the submitted exterior modification(s).**

- Site, Layout, Landscape and / or Construction Plan (Site Plan)
- Grading Plan (Include any drainage information such as slope of project)
- Architecture
- Photographs (Existing conditions and finished project sample)
- Construction Documents
- Materials (If example picture is included, clearly mark choice(s) pertaining to project)
- Colors (If example picture is included, clearly mark choice(s) pertaining to project)
- Landscape Plan (Any measurements on the plan should also be included on the plat and must be drawn to scale)
- Contractor Estimate with plans (pricing may be redacted)
- Lighting
- Labeling (e.g. "existing conditions", "finished project example", "grading plan" etc.)
- Additional Information
 - Any additional information needed to give a clear understanding of the proposed modification(s) is also required.

HOUSE LOCATION SURVEY vs. SUBDIVISION PLAT

A House Location Survey:

- Shows boundary of parcel / land
- Shows where house is on land
- Shows distance from property edges to house
- Can figure length of house

A Subdivision Plat:

- Shows every lot in the subdivision
- Does not show buildings or its dimensions

**County Offices and County Courthouse only keep
SUBDIVISION PLATS on file. They do not keep
HOUSE LOCATION SURVEYS.**

If you need a HOUSE LOCATION SURVEY try one of the following resources:

- Your settlement Lender
