2 WHEN WILL ROADS BE CLEARED?

Snow plowing services by the Association's Contractor will commence on Dulles Farms private roads once snow accumulation on pavement reaches an excess of three (3) inches.

For useful information about VDOT winter travel info, please CLICK HERE. You may also wish to visit www.vdotplows.org for plowing status on VDOT streets. This web tool lets you find out where VDOT plows have been and where they are going.

3 WHO IS RESPONSIBLE FOR CLEARING MY SIDEWALK?

Residents must clear their own sidewalks. Do not shovel snow into the street when clearing your sidewalks as this will block areas that have already been cleared.

4 WHY DO PLOWS LEAVE SNOW IN MY DRIVEWAY?

With heavy snow, plowing can cause snow to accumulate in roadside gutters and on road shoulders — sometimes even blocking driveways. When this occurs, VDOT asks that you shovel snow to the right of your driveway as you face the road. This is to prevent snow from piling up again if your road is replowed. 5 WHO CAN I CONTACT TO REPORT ISSUES DURING THE STORM?

If you experience an emergency during an inclement weather event, please call the Loudoun County non-emergency number (703-777-1021). To report an issue with Association maintained streets, please email the Management Staff at their contact info below.
