Whitney Bishop, Change Agent | Whitney Bishop, Founder

Whitney works with leaders & change agents who are ready to create new possibilities for themselves, those they lead and those they serve. Through one:one coaching, group experiences and online programs, Whitney helps clients identify the changes they need to make and the habits, routines & practices they'll put in place to move forward. She is devoted to helping expand the capacity for change agents and leaders who are ready to BE the change they wish to see in the world.

Mindset Support

Louisville Mindfulness Center | Megan B. Bartley, Founding Director

Megan and her team at Louisville Mindfulness Center are here to help individuals find peace and calm as they deal with life's stressors. Their goal is to help you decrease anxiety, depression and fear - especially during this time.

She and her team are able to virtually serve you in your home as they are currently providing telehealth services all throughout Kentucky.

Nutrition and Fitness Support

Chris Fulkerson, Certified Image Professional and Coach for FASTER Way to Fat Loss

If you are feeling out of control with your current eating habits and/or struggling with maintaining a healthy lifestyle, Chris is an excellent resource to help you come out of this quarantine better than ever when you give yourself or someone you love the gift of health!

Chris is truly an inspiration to those she serves. Her philosophy is “the only way to change your life is to change your choices”.
