

**EH&S PROJECT MANAGER/CERTIFIED SAFETY PROFESSIONAL**

## **DAVID S. WEBSTER, CSP**

David S. Webster, CSP serves as a EH&S Project Manager for HRP Associates, Inc. and resides in our Farmington, Connecticut office. David has more than seven years of experience in the environmental consulting industry. His project portfolio includes a variety of industrial hygiene occupational exposure related work, EH&S compliance auditing, health and safety assessments, training, building and overseeing EH&S programs, regulatory reporting, and aiding in regulatory permit requirements.

David has used his diverse background to assist in several duties as a Consultant and Project Manager. These duties include preparing Tier II's, Form R's, Biennials, EHS SOPs, OSHA required programs, SWPP & SPCC Plans, and trainings. David has conducted industrial hygiene sampling, environmental and safety compliance audits, process hazard analysis, and assisted with

stormwater and air permitting work. Environmental work includes, building and aiding in the implementation of SWPPs and SPCCs, auditing of SPCC's, oversight of shipments of hazardous waste and waste determinations, inspections of accumulation areas for hazardous waste, and assisting in wastewater and stormwater sampling. David has also aided in providing training and compliance on hazardous waste and materials. David is prepared for any additional EH&S tasks, as necessary. David also manages various projects, overseeing a team of staffers, and the completion of work in a responsive, on-time, on-scope, and on-budget manor.

David has participated in various audits in his role as an EH&S Project Manager, primarily around manufacturing. He has conducted environmental and health and safety gap audits to assess a facilities compliance obligation. He has conducted EH&S management system assurance audits to assure compliance from a regulatory and management system standpoint. He has also conducted environmental site assessments for the acquisition of properties and served as an ISO14001:2015 auditor for auditing of environmental management systems.

David has performed work for a wide variety of clients in the government, municipal, utilities, college, healthcare, manufacturing, and insurance industry settings. Work performed for these clients includes the above-mentioned work, aiding in any regulatory compliance and EH&S needs. David will look draw upon his wide variety of experience to aide with future clients and develop solutions.

Mr. Webster earned his Bachelor's Degree in Environmental Science from the University of Connecticut. Mr. Webster has also earned an advanced certificate from the City University of New York School of Public Health for Industrial Hygiene. He is Board Certified as a Certified Safety Professional. He also has received training on the 40 Hour Hazwoper, 30 Hour OSHA (General Industry), 10 Hour OSHA (Construction), DOT, RCRA, and is ISO 14001 and 45001 trained. David also holds licenses as an Asbestos Consultant- Inspector from the Connecticut Department of Public Health. David can be reached at 860-674-9570 or at David.Webster@hrpassociates.com.
