

Northwestern Lumber Association

NEW.... Virtual Roundtable Learning Series

Now more than ever it is important to have a group of business leaders to bounce ideas off of and learn from.

In order to help members connect with their LBM peers, Northwestern Lumber Association is starting an online roundtable learning series. Each series will include:

Seven online meetings

Introduction meeting

Five guest speakers
with group discussion

Reflection & goal
setting

Private Go-To-
Meetings where
you can learn and
discuss current
opportunities and
industry challenges
with your colleagues,
all from the comfort
of your office.

\$500 per company

Includes all 7
meetings PLUS the
group option to
have 3 additional
self-led networking
meetings.

In order to participate you must be an NLA Retail Member in good standing. NLA will be vetting each company and assigning them to the roundtable group that best fits the company based on company size and other companies registering (must be non-competing companies). Companies will be allowed to have up to three company team members participate in the roundtable meetings. We will determine the meeting schedule and speaker line-up after each group is formed.

Group size will be limited so contact NLA today.
