

Designs in ³/₄ Time – Jim & Nancy Holley

- What prompted you to open your business in Placitas, and what should we tell community members why they should support your business. **Neighbor's asked Jim to create a gate for their courtyard eight years ago, Nancy promoted it on Placitas social media. Since wooden gates do not last long with the high altitude and sun in New Mexico, Jim's amazing steel gates are always in demand.**
- What is the best/most important/positive thing about living and owning a business here in Placitas? **The people who live in Placitas believe in supporting local business.**
- We're sure that there is something about you (or your business) that Placitans might not know. What is that something – that you are willing to share
