

Continuing To Help Feed-a-Bull

Food, Glorious Food Lunch Bunchers collected food donations for the Feed-a-Bull Food Pantry at their lunch and cooking demonstration at JoEl's Kosher Deli in St. Petersburg on Jan. 20.

Pictured are Feed-a-Bull Pantry staff members Liz (left) and Ayailah (right) who were extremely grateful for the donations.

The Lunch Bunchers' generosity resulted in a carload of much-needed groceries and non-perishable items for the pantry.

The Feed-a-Bull pantry was created to alleviate food hardship and hunger among all enrolled USF students by providing supplemental food, resources and nutrition education to any student in need to ensure their academic success at USF. No student should have to choose between buying textbooks or buying groceries.
