

A Word From Kathryn Alyson, Membership Chair

Heads up - change of plans.

Drop-in Tuesdays are suspended for the time being. We had to cancel for Aug. 26 due to space constraints and the need for extra help with class registration.

Please email me directly [here](#) with any questions about membership and volunteering.

The Membership Committee enjoyed meeting some recent and established members during the Drop-In Tuesdays of Aug. 5, 12, and 19.

September will be a busy month with the three Open Houses. We hope to see you at one or more.

Be sure to see page 6 of the online catalog for the Friday Lecture Series schedule. These sessions are the perfect opportunity to introduce a friend to OLLI. Please register online and enjoy a free mini class.
