**LINC** (Lead. Impact. Network. Change.) is a volunteer group focused on harnessing the power of early-career individuals who are passionate about the same issues as United Way – helping people find a way forward in the areas of education, financial stability and health — the building blocks for a good life.

**LINC** members are 21 and over and lend their knowledge, expertise and time to effect big change in our community. **LINC members will** participate in unique volunteer and service projects, as well as personal and professional development opportunities. Individuals who are looking to become deeply engaged in contributing to the betterment of our community are invited to try out **LINC** any time.
