

WANDERLUST WEEKEND GETAWAY

for the outdoor enthusiasts

Our great outdoors are gorgeous, and the recreation opportunities they offer are hard to beat! If you recharge by spending time with nature, this itinerary is for you.

Friday Evening:

Roll into town and get your camping supplies (firewood, campfire food, cold beverages). Pitch your tent at one of our campgrounds* along Lewis and Clark Lake and relax. You're here...soak it up.

Saturday Morning:

Hit the hiking trails early to catch the sun rise over the mighty Missouri River from the top of the chalkstone bluffs.

Saturday Afternoon:

Rent kayaks from a local outfitter and get on the water! Lake Yankton is a safe option for beginners, Lewis and Clark Lake is perfect for mid-level abilities, and the Missouri River is a fun challenge for skilled kayakers.

Saturday Evening:

Enjoy dinner on a patio of one of our local restaurants. Stop by our iconic outdoor bar where you're encouraged to smash your glass bottle after you're finished. Try your hand at throwing axes or virtual golf.

Sunday Morning:

Stretch your legs with a round of disc golf at Gavins Point Recreation Area.

Sunday Afternoon:

Cover miles of scenic ground with an afternoon bike ride. Our connected trails will take you along both Lewis & Clark Lake and Lake Yankton, along Gavins Point Dam, into and through the city of Yankton, over the Meridian Bridge to Nebraska and back, through Riverside Park, and so much more.

**Book your campsite 90 days prior to your arrival so you can choose the kind of site that fits you best!*
