

Yankton Middle School will be hosting their 3rd Girls Night for ALL girls and their moms in 6th, 7th, and 8th grade on February 2, 2018 from 6:00-9:00 PM.

This is a gender-specific event that will provide a safe environment for girls and their moms to discuss topics and participate in activities related specifically to young girls.

The night will include a chance for girls to take a picture with their mom or a group of moms and daughters in a photo booth and attend break-out sessions to empower young women. Attendees will be treated to a catered meal.

Yankton Middle School is very excited about continuing this event, and believes it will be another excellent opportunity for the girls of YMS and their moms to build positive relationships with each other and local community leaders.

Sponsors Needed:

Businesses interested in helping launch this annual event are asked to support the event with a donation – financial or in-kind.

Sponsors contributing \$250 or more will have their business logos on the t-shirts being provided to all attendees and the sponsor logo will be displayed on the big screen during the activities.

Help us help empower our young women by supporting this activity!

For more information please contact:

MRS. BURGESSON – YMS Counselor at 605-665-2419 or email

Deadline is November 1, 2018
