

## Food Drive

Which team can come up with the most points in our Food Drive benefiting the Contact Center? Bring goods to your team's container between December 1—December 15, 2017 to collect points for your team.

Point system:

- 1 point each for canned chunky soups and jars of jelly
- 5 points each for canned fruits, boxes of cereal or oatmeal
- 10 points each for canned tuna, ham or chicken

BUT WAIT, there's more. You can take away points from other teams:

- Negative 20 points for each jar of peanut butter, 10 oz or larger. Put peanut butter in your opponents' food bins to lower their score. Once peanut butter is put into a bin, it cannot be taken out.

Bins will be counted at noon on December 15, 2017.

Register your team by December 1, 2017 by contacting Colleen Bailey at 668-5221 or [cbailey@cityofyankton.org](mailto:cbailey@cityofyankton.org). Teams are limited to 15 members on a team.

Prize for the winning team will be breakfast pizza and donuts delivered to your department one day during the week before Christmas.
