

The Holiday Festival of Lights

will illuminate the Meridian District on November 30, with classic cars, floats, boats, fire trucks and thousands of Christmas lights. **This year's theme: Winter Wonderland** (for both the parade and store front decoration.) The parade will form in The Landing parking lot, move down Capitol, Third, and Cedar Streets and ending at the Meridian Bridge entrance on Levee Street. The lighting of the Christmas tree ceremony will begin immediately following the parade with an official proclamation, carolers, hot chocolate and more. End the night with the opening night of 'Twas the Night at the Lewis and Clark Theater.
