Deadlines: Varies

Website: newberry.org/fellowships

Open Education Database – Graduate Scholarships

Amount: Varies

Scholarships for graduate school can help students pay for college and supplement their income as they pursue a graduate-level academic or professional degree. Even with a variety of options to help reduce the cost of their degree, including fellowships, teaching assistantships, and stipends, graduate students face stiff competition to obtain these awards and often continue struggling to pay living expenses once they receive financial assistance. Graduate scholarships are designed to meet the unique needs of this student group as they strive to obtain their degree in the years ahead.

Deadline: Varies

Website: oedb.org/graduate-scholarship/

Open Education Database – PhD Scholarships

Amount: Varies

While Ph.D. scholarships are often more difficult to come by than undergraduate or graduate scholarship opportunities, they play a crucial role in helping doctoral students earn an advanced degree. Some schools offer stipends, pay living expenses, and promise work opportunities to Ph.D. candidates. However, the average doctoral student needs support by way of scholarships for doctoral students and grants to help pay for college.

Deadline: Varies

Website: oedb.org/phd-scholarship/

Continued on page 16

Society for American Archaeology Native American Scholarships

Amount: \$5,000-\$10,000

The Native American Scholarships Fund is an endowment established to foster a sense of shared purpose and positive interaction between archaeologists and Native Americans.
