

## **HAWKS DAY 2018 PLANNING COMMITTEE VOLUNTEERS NEEDED!**

**The Committee organizing Hawks Day 2018 is looking for interested parents who can help organize one of the larger PTO-led events for Fall 2018.**

**What type of activities do you need help for planning Hawks Day 2018?**

**The Committee intends for Hawks Day to be a larger event for Fall 2018. We need parents who can help plan and organize games, food, logistics, vendors for the day, Police/Fire outreach, volunteer identification and Sign-Up Genius development. The intent is to have most of the Day planned and organized early in the school year.**

**Who can volunteer? Anyone! Virtus training not required! It is a great way to perform volunteer hours!**

**Can I work hours to fulfill 2017-2018 volunteer hour requirements? Yes! Work performed this academic year for an activity next Fall can count towards your 2017-18 requirements.**

**Hawks Day is OCTOBER 20<sup>th</sup>, 2018. Availability on Saturday October 20<sup>th</sup> is not required, as we need help in the planning and organizing of the event.**

**If you have any questions or want to help, please contact Grace Cross at:**
