

## **National Catholic Schools Week 2020**

National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2019 is January 26 - February 1. The theme for Catholic Schools Week is "Catholic Schools: Learn. Serve. Lead. Succeed."

At St. Louis Catholic School, the teachers and parents team together to create a week long celebration of our student's Catholic education. Each day has a theme and we have activities associated with that theme like community service projects, prayer, and student and teacher appreciation. As a community we focus on the value Catholic education provides for families, our parish, and our community.
