

Clothing Drive for INOVA Alexandria Hospital

Serena Moss, a 6th grader at St. Louis Catholic School and a Girl Scout Cadette in St. Louis Troop 1697 is working on her Girl Scout Silver Award. The Silver Award is the highest leadership award a Girl Scout Cadette can earn. To earn her Silver Award she is collecting clothes for the emergency room at the INOVA Alexandria Hospital. Sometimes when people are brought into the emergency room their clothes have to be cut off of them for help to be administered. The clothes she is collecting will be given to those patients that have had their clothes ruined while receiving help. Your donations will give these people clothes to wear when they go home.

Please consider making a donation of new or lightly used, sweatshirts, sweatpants, t-shirts and/or shorts. All donations should be clean, unisex, and preferably with no logos. Sizes XS to XXL are needed. A collection box will be at St. Louis until **April 16, 2019**.
