

Saint Louis Band Welcomes You!

We are so glad your child has chosen band this year! Advanced after school band will be on Mondays right after school again this year. Sectionals for Advanced and Beginner Bands will be during the day on Mondays. Sectional times will vary, but they will be emailed the night before or early the morning of band.

HELP NEEDED

We welcome new parents to join us. Volunteering for the band counts toward required PTO volunteer hours. Some positions require VIRTUS, some do not. And some are short term commitments ---so there is something for everyone!

Band Parent(s): We need a couple more parents to join us in organizing the Band Trip. We extend a particular request to the parents of our Beginner Band. We handle the band trip/transportation/t shirts, etc., and organize the support at after school practices for our hard-working director, Susan Findley.

Band Monitors: We need a parent in the band room with Mrs. Findley at every after school rehearsal. Every band family must provide this support once a semester. It requires the parent to come to the rehearsal and be present. It is a simple but necessary job to allow rehearsals to go smoothly. Please look for a sign up genius soon to pick your week!

Parent Chaperones: We will need lots of parent chaperones to make the band trip happen. Come join the fun!

FUNDRAISING

Our fundraisers are for all, so please participate even if you don't expect your child to benefit directly. We want to keep fundraising to a minimum, but also hope to lower costs a bit so all can enjoy the trip! We expect to sell Krispy Kreme and greeting cards again. Please stay alert for the dates, which will be coming soon.

IMPORTANT DATES
